

PUBLIC HEARING NOTICE: CDBG 2022 Action Plan and Substantial Amendments to 2021 Consolidated Plan and Associated Action Plan, and Consolidated/Action Plans 2018, 2019 and 2020

The Marietta Development Department has prepared the City's 2022 draft annual Action Plan, based upon a combination of (1) the estimated PY 2022 allocation amount of \$412,000 which will be adjusted applying contingency provisions in the draft plan in May once actual PY 2022 allocations are announced, and (2) a known reprogrammable sum of \$279,432. The purpose of this proposed draft plan is to apply to HUD for funding to improve the living circumstances of low-to-moderate income (LMI) persons, both through housing-related assistance and improvements to the suitability of living environments. The 2022 draft Action Plan seeks to advance these objectives by funding home rehabilitation assistance, infrastructure improvements, neighborhood revitalization projects, transportation support and homeless assistance.

The Marietta Development Department also proposes to submit to HUD draft substantial amendments to plans developed in 2021, 2020, 2019 and 2018. The Department proposes to amend the Consolidated Plan developed in 2021 to extend its planning horizon from three years to five years, modify the expected funding amounts to reflect the longer consolidated planning period and to account for both reprogrammable funding included in the PY 2022 and the estimated PY 2022 allocation which will be adjusted once actual PY 2022 allocations are announced, and correct typographical errors and revision program description errors discovered during the plan review and revision process. The Department also proposes to amend the Program Year 2020, 2019 and 2018 Consolidated/Action Plans to limit funding under those plans to amounts actually spent on the projects included in those plans and to allow reprogramming of unused funds as part of the 2022 Action Plan.

Starting May 6 and through June 5, 2022, the drafts of the 2022 Action Plan and substantial amendments to the plans previously stated may be viewed electronically on the City of Marietta's Community Development office in 304 Putnam St, Suite 2200 (1<sup>st</sup> floor). Comments received on any of these plans received during this period ending June 5, 2022 will be included with the final plans to be filed with HUD, and can be emailed to [deverson@mariettaoh.net](mailto:deverson@mariettaoh.net), mailed in hard copy, or hand-delivered to 304 Putnam St., Marietta, OH 45750. Oral comments on any of the plans will also be received at a public hearing to be held in the Armory Building, 241 Front St., Community Room 10 on Friday, June 3, 2022 at 9:00 a.m. At that hearing, the Development Department will also give a public summary of the contents of the 2022 Action Plan and the amendments to the 2021, 2020, 2019 and 2018 Action and Consolidated Plans.
